

ECOLAB®

MAXX Brial Plus

ALL PURPOSE CLEANER

Climate friendly solutions, that prevent waste, and protect people and planet.

Performance

- ▲ Outstanding cleaning performance on all types of surfaces and glass
- ▲ Fresh and subtle fragrance

Efficiency

- ▲ Super-concentrated product provides excellent cleaning performance at low use concentrations
- ▲ Streak free formulation
- ▲ Easy and accurate dosing with refillable dosing bottle prevents overdosing

Safety

- ▲ Quick refilling without spilling thanks to the adapter system that fits perfectly on the dosing bottle
- ▲ Material friendly formulation allows use on most water resistant hard surfaces

Sustainability

- ▲ The high concentrated formulation in a lightweight refill bottle and reusable dosing bottles reduce packaging waste
- ▲ The refill bottle reduces packaging weight by almost 30%*
- ▲ EU Ecolabel certified

*compared to an Ecolab standard 1 L bottle

Use instructions

1. Check hygiene plan and product label for detailed use information.

recommended

2. Wear suitable protective clothing when handling the product.

3. For refilling of the dosing bottle, insert the refill bottle on the thorn (red cap) of the dosing unit, press down to break the seal and wait for the bottle to empty.

4. Turn the dosing bottle upside down for dosing 10 ml. Adjust dosage according to the degree of soiling.

5. For spray cleaning, turn the dosing bottle upside down once.

6. Wipe the surface and leave to dry. We recommend using colour-coded polifix® microfibre cloths and the Ecolab rasanTEC® mopping system.

7. No rinsing required.

Special notes

- ▲ Only a small quantity of the product is needed compared to normal products. Proper dosage saves costs and minimizes environmental impacts. Keep out of reach of children.
- ▲ Test material compatibility in a small inconspicuous area prior to application.
- ▲ For floor cleaning, position warning signs "Attention wet floor" and leave in place until surface is totally dry.
- ▲ **For professional use only.** Safety data sheet available for professional users on request.

pH Value

Safety information

- ▲ Do not mix with any other product.
- ▲ For further information and safety instructions, please see product label and Safety Data Sheet.
